

FUNCTIONAL HINGED KNEE SUPPORT

HCPCS: L1832

PRODUCT DESCRIPTION

Formfit® ROM Knees are for patients suffering from mild to moderate strains, sprains or ligament tears (ACL/PCL/MCL/LCL).

Providing excellent stability, protection and compression during injury recovery. Made from strong, breathable materials, it offers comfort while remaining highly durable. The open popliteal area reduces material bulging and potential irritation, while the malleable rigid hinge arms provide an intimate fit. Available in a wrap or sleeve version. ROM available in 12" or 16" length.

KEY FEATURES:

- Breathable material
- Universal buttress with sleeve versions
- Available in Wrap or Sleeve version
- Malleable hinges
- Open popliteal
- Available in 12" and 16" length

INDICATIONS:

- Mild to moderate ACL and PCL tears
- MCL and LCL tears
- Combined mild knee sprains and strains
- Instabilities of the knee
